# Introduction

## Science Based Targets initiative (SBTi) Near-Term

**We are proud to announce that Randhi International Private Limited has set the Near-Term emission reduction targets aligning to the latest Science Based Targets initiative (SBTi) guidelines. We aim to reduce our Scope 1 and 2 greenhouse gas emissions by 42% by the year 2030. This Commitment Underscores our dedication to Sustainability and our proactive role in mitigating climate change, ensuring a greener future for generations to come. By taking this significant step, We not only reduce our environmental footprint but also set a strong example for others in the industry.**

# About Us
